MYSORE

To

The General Secratary to the Government
of His Highness the Maharaja of Mysore,
B a n g a l o r e.

Sir,

I have the honour to forward herewith for orders of Government copies of Municipal Council's Resolutions Nos.334 dated the 26th January 1929 and 363 dated the 23rd February 1929 regarding the reduction of the Flat rate of water, and the transfer of control of the Water Supply establishment in the City to the Municipality, together with a copy of the proceedings of the Sub-committee referred to in the first of the Resolutions, No.334 dated the 26th January 1929.

Regarding the fixing of meters to houses of rental value of Rs.200/- and above, the Superintendent, Vani Vilas Water Works, furnished an estimate for Rs.4,352/- for the work, and the same being placed before the Municipal Council, it was resolved that the installation of the meters be postponed Vide copies of Managing Committee's resolution 103 dated the 13th July 1929 and Municipal Council's Resolution No.14 dated the 27th July 1929, enclosed.

I have the honour to be,
S i r,
Your most obedient servant,

Y. Ramaswami
President.

(10.

Proceedings of the meeting of the Sub-Committee appointed in Council's resolution No.45 dated the 28th July 1928 to examine the working of the arrangements re the operation and maintenance of the Mysore City Water Supply held in the Municipal Office on Wednesday the 9th January 1929 at 8 A.M.

Present.

T.G.Rama Iyer, Esq., B.A., President.

2. C.Narasimhiah, Esq., B.A.,B.L.,
3. H.C.Dasappa, Esq., B.A.,LL.B.,

5. The Revenue Officer.

Absent.

1 K.Dhanakoti Chetty, Esq.,
2.A.Krishna Rao, Esq., B.A.,B.L.,
3.The Superintendent, Vani Vilas Water Works.

The Committee obtained information relating to the avergge consumption of water per day per head of population and the rates of charges for water prevailing in several Municipalities in India This information shews that the average consumption per head in Mysore City and the general water rate are by no means excessive. The Committee consider it necessary to recommed to the Council that steps be taken towards the gradual redution of the house connection fees, the transfer of control over the Water Supply Establishment of the City to the Municipality and the levy of general water rate on Government Buildings.

The following resolutions were unanimously adopted:-

Resolved that the present rate of house connection fees (at 5% of the rental value) may be gradually reduced by creating facilities for a rapid increase in the number of house connections so as to avoid reduction of total income from house connection fees and that the following measures be adopted to this end.-

1. Re-appropriation of ~~Rxxxxxxxx~~ Rs.5,000/- this year for laying sub-mains in localities where there is demand for house connections.

2. Allotment of Rs.10,000/- for each of the next three years for laying sub-mains to meet the demand for house connections.

3. Sale of the meters now attached to domestic house connections and utilising the sale proceeds ~~xx~~ of ~~xxxxxxx~~ about Rs.30,000/- for measures to secure better and wider distribution of the supply of water.

II. Resolved that as a first step in this direction, the present flat rate of 5% of the rental value be reduced to 4% with effect from the 1st July next.

III. Resolved that a representation be made to Government to transfer the control over the Water Supply Establishment in Mysore City to the Municipal Council in view of their meeting 2/3 of maintenance charges and with a view to economise expenditure and correspondence

IV. Referring to Government Order No.L.3740-44/M1.84-26-22 dated 22/23rd November 1928 it was resolved that the attention of Government be called to the fact ~~x~~ that according to Section 59(c) of the Municipal Regulation and the bye-Laws, Government buildings cannot be ~~exempxx~~ exempted from the General Water Rate of 3%.
